#### A Postmaster's View of It.

BLOOMINGDALE, IND., Feb. 20, 1899. Pepsin Syrup Co.

GENTLEMEN:—After having given Dr. Caldwell's Syrup Pepsin a fair trial in my family, I unhesitatingly pronounce it a great boon to all suffering from indigestion, constipation and dyspepsia in all their forms with all their train of evil consequences. I have fought dyspepsia and constipation of a severe character for 25 years, have employed the most skilled physicians that I could reach, have spent hundreds of dollars and now I find more relief in this pleasant remedy than I have found in anything else. To all persons of sedentary occupations in life, I wish to say, buy it and use it. I have spent 12 years at the postmaster's desk, averaging 14 hours per day, and know now if I had had this remedy years ago it would have saved me much suffering. Resp'y yours. W. M. McCoy, P. M. #### QUESTION ANSWERED.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion and biliousness; doctors were scarce and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower. In liquid form, to make you satisfied there is nothing serious the matter with you. Sold by DeWitt & Thompson.
